Ready to elevate your guest experience?

SHOWER DISPENSER SYSTEM

Simplify your housekeeping routine while also being environmentally friendly and cost-effective. The hospitality dispenser system is designed to combat the plastic waste generated by standard hotel amenities, making it the perfect choice for eco-conscious hotels and businesses.

A clean washroom can give the impression that the business or facility cares about its customers' well-being and hygiene.

A positive first impression can help put users at ease and make them feel more comfortable using the facilities.

PRODUCT HIGHLIGHT

Body Wash Dispenser

Shampoo Dispenser

Hand & Body Lotion Dispenser

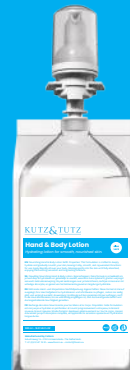

Perfect for Hotels, B&B's, Hostels and Gyms. Say goodbye to messy and wasteful individual bottles and hello to a more sustainable solution with our shower dispenser system. It's easy to refill and use, and will help to reduce plastic waste and maintain a hygienic environment.

Practical, high-quality and convenient, Luxury Feel at an affordable price.

Bring a touch of refinement to your bathroom with these practical soap dispensers. With just a press of the palm, your hotel guest will receive the right "dose". The dispensers are non-drip, offering a long-term, simple and cost efficient solution.

BODY WASH

Our body wash is specially formulated to evoke the familiar aroma of fresh seashore smells through intense marine and ozone notes, with slight floral overtones and exuding a strong and prominent smell associated with fresh ocean breeze.

SHAMPOO

The Shampoo is suitable for all hair types, cleanses gently and gives voluminous fullness.

It's a commitment to a premium guest experience.

HAND & BODY LOTION

This super hydrating and nurturing hyper-allergenic lotion is the perfect addition to any hospitality business, including hotels and spas. Super Hydrating: Keeps skin moisturized and soft. Nurturing: Gentle on all skin types. Hyper-Allergenic: Safe for sensitive skin.
